## 1 person has recommended Peleg

"Mr. Rosenthal is one of the most capable, intelligent individuals I have had the pleasure of teaching. His written communications skills are exceptional. He writes very well and organizes technical material in a manner that is easy to comprehend. Every once in a while you get to know someone who "just gets it." I am confident that he will excel at whatever he chooses."

— **Cris de la Torre, J.D., Ph.D.**, taught Peleg at University of Northern Colorado
